

Post-doctoral and Graduate Student Training Grants in the School of Biological Sciences and School of Medicine at the University of California at Irvine (Fall, 2011).

Principle Investigator	Program	School	Project Title
Dr. FRANCISCO AYALA	Minority Science Programs	Biological Sciences	MARC U*STAR at the UCI
Dr. PIERRE BALDI	Institute for Genomics and Bioinformatics	Information and Computer Sciences	Biomedical Informatics Training Program
Dr. TALLIE BARAM	Anatomy and Neurobiology	Medicine	Epilepsy Research Training Program
Dr. VINCENT CAIOZZO	Orthopaedic Surgery	Medicine	UCI Multidisciplinary Exercise Sciences Training Program
Dr. PAOLO CASALI	Medicine	Medicine	Immunology Research Training Grant
Dr. DAN COOPER	Institute for Clinical Translational Science	Medicine	Institute for Clinical and Translational Science
Dr. CARL COTMAN	Institute for Memory Impairments and Neurological Disorders	Medicine	Training the Neurobiology of Aging
Dr. PHILIP DISAIA	Obstetrics and Gynecology	Medicine	Gynecologic Oncology Fellowship Program
Dr. HUNG FAN	Cancer Research Institute	Biological Sciences	A Training Program in Cancer Biology
Dr. ALAN GOLDIN	School of Medicine Dean	Medicine	Medical Scientist Training Program
Dr. ARTHUR LANDER	Developmental Biology Center	Biological Sciences	Mathematical, Computational and Systems Biology
Dr. ARTHUR LANDER	Developmental Biology Center	Biological Sciences	Training Program in Systems Biology of Development
Dr. WEN-HWA LEE	Biological Chemistry	Medicine	Training In Translational Research In Cancer Genomic Medicine
Dr. RAJU METHERATE	Neurobiology and Behavior	Biological Sciences	Interdisciplinary Training Program in Hearing Research
Dr. LUIS MOTA-BRAVO	Minority Science Programs	Biological Sciences	Minority Biomedical Research Support and others
Dr. BERT SEMLER	Center for Virus Research	Medicine	Molecular Biology of Eukaryotic Viruses
