Front row, left to right: Diana Tien-Chan, Jenna Bague-Sampson, Hetty Ha, Minh-Thanh Dinh, Alejandra Gutierrez)

Services provided:
- Academic counseling (e.g. university policies & procedures, degree requirements, etc.)
- Short-term and long-term course planning
- Health science profession advising
- Dean’s signature/approval for forms
- Reference to campus support services
- And more…

Walk-in advising:
We invite you to visit Bio Sci Student Affairs during open office hours and meet with an academic counselor or peer academic advisor in a walk-in advising session. Walk-ins are seen on a first come, first serve basis and are limited to a maximum of 15 minutes. Please plan to sign up for walk-in 30-60 minutes before the office closes to ensure you can be seen that day.

Appointments:
If walk-in advising is not adequate to meet your needs, you may schedule an appointment to meet with a counselor for up to thirty minutes. Appointments can be scheduled one day to one week in advance, at our front desk or by calling the office’s main phone number.

Helpful websites:

Registrar: http://www.reg.uci.edu – For campus calendars, Student Access, information regarding FERPA, academic dishonesty, course registration, etc.

Electronic Educational Environment: https://eee.uci.edu – An online course management system designed to consolidate course information (e.g. class websites, messages sent to class listservs, daily planner, task list, etc.) and help you locate campus resources.

UCI General Catalogue: http://www.catalogue.uci.edu/ – Important reference for general education requirements, course descriptions, majors an degree requirements, UCI policies, and more.

Assist: http://www.assist.org – A website which displays information about the transferability and credit from California community colleges to California colleges and universities (i.e. four year institutions).

Campus Police: http://www.police.uci.edu – For information about basic services provided (e.g. lost and found, fingerprinting, safety escorts), campus safety statistics, etc.
### University Requirements
- Entry Level Writing
- American History
- American Institutions

### General Education Requirements
- I. Lower Division Writing
- I. Upper Division Writing (satisfied with Bio 100 and 3 UD bio labs (min. grade=C))
- II. Science and Technology (Satisfied with general chemistry series)
- III. Social and Behavioral Sciences
- IV. Arts and Humanities
- Va. Quantitative Literacy
  - Vb. Formal Reasoning (Satisfied with Math and Physics requirements for BioSci)
- VI. Language Other Than English
- VII. Multicultural Studies
- VIII. International/Global Issues

### Major in Biological Sciences
- BioSci Required Major Courses (RMC)
- Upper-div BioSci labs
- Upper-div BioSci electives

### School Requirements for Biological Sciences
- BioSci 2A and BioSci 194S
- Core: BioSci 93, 94, 97, 98, 99, 100
- General Chemistry series
- Organic Chemistry series
- Math 2A-B plus 2D or Stats 7 or 8
- Physics series
